## School Notes

### Stoutsville Schools.

#### BASKET BALL SCHEDULE

A meeting was held last Wednesday night at the County Superintendent's office by the Superintendents and Basket Ball Coaches of the county for the purpose of scheduling games and choosing referees for the season. All schools were represented except Pleasantville and Rushville who telephoned their votes for the referee. This, no doubt is the best schedule Stoutsville teams have had for several years and we are looking forward to a very interesting and victorious season. Referees will be appointed and sent out by the county athletic committee. The following is the girls and boys schedule for '28 and '29:

- Nov. 28 Sugar Grove At home
- Dec. 7 Thurston There
- Dec. 14 Millersport At home
- Dec. 21 Carroll At home
- Dec. 28 Alumni
- Jan. 4 Thurston At home
- Jan. 11 Bremen There
- Jan. 18 Liberty Union At home
- Jan. 25 Carroll There
- Feb 1 Amanda
- Feb. 8 Sugar Grove There
- Feb. 15 Amanda There
- Feb. 21 (estimated) Tournament.

Last Thursday morning, October 4th Mr. Defenbaugh our superintendent called on assembly for the upper four grades and gave an account of the meeting held at Supt. Eymann's office the night before. The students also decided to elect the student officials at this assembly for the coming basket ball season. The following are the officers elected: Door keepers, George Valentine and Florence

Hoffman; Cheer leaders, Maxine Valentine and Harold Shaffer; Timer, Berlin Miller; Score keepers, "book" Milard Griffith, "board" Robert Delong; Equipment manager, Lawrence Ben-shaver; Reporter, Hazel Petherolf. We can hardly wait for the season to open. Yea team! team! Let's go!

#### THE FAIRFIELDER

During the entire school year of 1928 and '29 only five issues of the Fairfielder will be published and distributed. They will be:

- The Autumn number Nov. 15.
- Christmas number Dec. 20.
- Basket ball number Feb. 15.
- Music number April 1.
- Commencement number May 10.

It is considered that the greater the circulation, the greater will be the advertising sales. Sales are to be made at once by each school for the Commencement number at the price of 25c. If enough copies are sold and collections made then each of the first four numbers will be mailed free to each school home of the upper six grades. The aim of the publishers is to get a better circulation of the school paper.

This year Stoutsville school has exhibited a much larger and better display than the preceding year. The display was taken to Lancaster yesterday morning. The English-Latin teacher, Miss Deeds, has a large display from all four English classes, and first and second year Latin. Mr. Defenbaugh has asked his physics class to exhibit their experiment note books. Miss Fregoe, teacher of Junior High is exhibiting arithmetic material, geography manuscripts and also an art display. Our domestic sciences teacher, Miss Jencks, is sending work in sewing and cooking. Also we brought home a few prizes last year we are expecting more prizes this year. Stoutsville's exhibit will be in the same place as last year and we feel it will be worth everyone's time to go and see the work of the pupils.

Even if the weather couldn't decide whether to rain or shine Friday, October 5, Stoutsville baseball teams motored to Salt

### As They See Them in Texarkana

#### LEGION PARTY OF OHIO ADOPTS UNIQUE PLAN IN MAKING TRIP TO CONVENTION IN SAN ANTONIO

Seven buddies from Ohio it what would resemble an army truck except that the seats are cushioned (shades of St. Mihiel) ambled through Texarkana Friday for a "Buckeye view" of the American Legion convention which is the kind of view that doughboys from the "Buckeye State" naturally would take. They are the delegation from Post No. 57, Amanda, Ohio, and their method of transportation is a master stroke from an economic standpoint. They bought a new Ford truck, but the second payment is not yet due, ha-ha. Anyhow they spent \$200 to get it and fix it up with a covered truck body, watertight curtains and a little art work on the sides.

They acquired four upholstered, revolving seats from a bus company, packed in cots, bedding and cooking utensils, and started Sunday on a 1070 mile trek to San Antonio. They are George E. Griffith, Thomas H. Barr, Frank Crites, M. A. Johnston, L. W. Dickson, Charles McDonald and J. R. Hiatt.

--from Texarkana Gazette, Texarkana, Arkansas

They scorned the effete plan of a Texarkana Legionaire to hop to San Antonio by airplane "Why that takes all the sport out of traveling" said Griffith. "You see to much country at one time--if you're not scared to look at it" said Barr. They agreed that the "only life" was to camp out at night and cook their own grub over campfires. Of course it rained one night and their blankets got wet. But they found a filling station with a vacant room above it and enjoyed all the comparative comforts of a "dugout". The towns in Missouri turned out en masse to greet them. Griffith said. He didn't know whether to regard it as a compliment or an insult. Before leaving Amanda they had a bright idea. They would save breath by painting the details of their point of embarkation in conspicuous letters on the side. "We didn't know nobody down here couldn't read" mourned Griffith, "The first thing they ask is 'where're you from?'"

### BREMEN YOUTH GETS SUSPENDED SENTENCE

Albert Keller, youth of Bremen, indicted by the grand jury burglary and larceny in connection with removal of rings from the McCullough store at Bremen was Friday afternoon sentenced from one to fifteen years in the Mansfield Reformatory by Judge Brooks E. Shell. The sentence was suspended and Keller was paroled in custody of Probation Officer Wm. Belhorn and Wm. T. Burnside of Bremen with strict orders to use extreme caution in selection of associates. Keller pleaded guilty when arraigned before Judge Shell, Thursday morning. He was released immediately after receiving sentence.

### W. C. T. U. MEETING

The Cedar Hill W.C.T.U. will meet on Tuesday afternoon at 1:30 October 16th at the home of Mrs. Laura Giles.

Topic - Motion Pictures - "Their Effect Upon the Youth" Leader, Miss Iola Riegel.

A cordial welcome extended to members and visitors. By order of the president Anabel Hege

### Former Amanda Woman Dies In Dayton

Mrs. Owen Woodring, former resident of Amanda died Thursday morning, October 4 at St. Elizabeth Hospital, Dayton following a lengthy illness.

Mrs. Woodring was born in Tarlton, Ohio, October 4, 1888 and died on the 40th anniversary of her birth.

She is survived by her parents Mr. and Mrs. Geo. Botts of Lancaster; four sisters, and one brother.

Funeral services were conducted at Dayton Friday evening and the remains were brot to Amanda Township Cemetery Saturday morning where short services were conducted immediately preceding burial with Rev. Gail Hanover officiating. Burial under the direction of Reisinger of Dayton.

### Thanks

I sincerely thank the Cedar Hill W. C. T. U. for a beautiful fern, and Mrs. Laura Thomas for lovely dahlias, also relatives and friends for flowers and other kind assistance, and the good remembrances and all kind greetings which I received during my recent illness. Mr. William Hege

### HAMMITT-SHAEFFER WEDDING, SATURDAY

Saturday, October 6, Miss Barbara Ruth Shaeffer, daughter of Mr. and Mrs. Frank Shaeffer of Amanda, Ohio, became the bride of Mr. Ralph Hammit, son of Mr. and Mrs. Van Hammit of Lancaster.

The marriage was solemnized by Rev. Pierce of Cattlesburg, Kentucky, and the young couple was attended by Mrs. Raymond Hettinger.

The groom is employed by the Graham Dry Cleaning Co. The young couple will reside with the groom's parents in Lancaster.

### OHIO STATE TO OPEN 16TH BIG TEN CAMPAIGN AGAINST NORTHWESTERN

Beginning its sixteenth year of Western Conference competition, Ohio State's eleven will invade Northwestern territory during the coming week for its first 1928 game against a Big Ten foe. The squad will leave Columbus Thursday night and will work out in Evanston on Friday.

The Northwestern contest inaugurates a series of five stiff Saturday afternoons for the Buckeyes. In order, after Northwestern, the Ohio Staters will be called upon to face Michigan, Indiana, Princeton and Iowa - all in a row. Michigan will be met here, Indiana on its home field and Princeton and Iowa both here.

The Northwestern game is expected to give a good line on the Ohioans' prospects for the 1928 campaign. The Buckeyes are known to hold more promise than a year ago, but just how much is not certain.

They are particularly anxious to trim Northwestern so as to even up the new series between the two teams. Prior to last year Ohio State had never lost to the Methodists, but in the 1927 game the Buckeyes lost, partly due to their own mistakes, 19 to 13.

Except for early season injuries, the Ohioans have gotten off to a good start in preparation for the hard campaign which begins this week. Head Coach and his assistants had their first chance to see the proteges in action Saturday with Wittenberg as the opponent.

Special trains will bear Ohio State rooters to the game, which will be the first Ohio State appearance in the new Northwestern stadium.

### Mrs. J. T. Hilyard Breaks Arm

Mrs. J. T. Hilyard suffered a broken arm when she fell from the cellar steps of her home in Amanda last Thursday night.

She was going into the cellar and in the darkness misjudged her position thinking she was on the floor, but she was probably up two steps when attempting to walk away. She fell to the floor breaking her arm at the wrist and bruising her shoulder. It was thought for a time it would be necessary to take an x-ray picture of her shoulder but it is now improving and complete recovery is expected.

### FAIRFIELD LAD BITTEN BY COPPERHEAD SNAKE

Charles Ream, young son of Edward Ream of Sugar Grove who was bitten on the hand by a copper head snake last Wednesday afternoon probably escaped fatal results by the timely administration of a recently discovered serum for such poisoning.

He was attacked while playing on the hill back of Logan Gas Co. ball diamond.

### NOTICE OF SALE OF BONDS

Sealed proposals will be received at the office of the Village Clerk of Amanda, Ohio, until 12:00 o'clock noon on October 26, 1928, for the purchase of SEVENTEEN THOUSAND SIX HUNDRED DOLLARS (\$17,600.00) worth of bonds of said Village.

These bonds are issued in accordance with the Uniform Bond Act of the General Code and Pursuant to Ordinance No. 96, duly passed on the 15th day of September, 1928. Said bonds shall be numbered consecutively from one to twenty inclusive and shall be in the denominations as follows: Bond No. 1 in the sum of SIX HUNDRED DOLLARS, Bonds Nos. 2, 3, 4, 6, 7, 8, 10, 11, 12, 14, 15, 16, 18, 19, and 20 each in the sum of ONE THOUSAND DOLLARS, Bonds Nos. 5, 9, 13 and 17 each in the sum of FIVE HUNDRED DOLLARS.

Said bonds shall be dated October 1st, 1928 and shall bear interest at the rate of six per cent per annum, payable semi annually, on the first day of April and October of each year.

The bonds shall mature as follows:

- Bonds Nos. 1 and 2 mature October 1st, 1930.
- Bonds Nos. 3 and 4 mature October 1st, 1931.
- Bonds Nos. 5 and 6 mature October 1st, 1932.
- Bonds Nos. 7 and 8 mature October 1st, 1933.
- Bonds Nos. 9 and 10 mature October 1st, 1934.
- Bonds Nos. 11 and 12 mature October 1st, 1935.
- Bonds Nos. 13 and 14 mature October 1st, 1936.

- Bonds Nos. 15 and 16 mature October 1st, 1937.
- Bonds Nos. 17 and 18 mature October 1st, 1938.
- Bonds Nos. 19 and 20 mature October 1st, 1939.

Both principal and interest shall be payable when due at the office of The Farmers & Merchants Bank Co., in the Village of Amanda, Ohio.

Said bonds are issued in anticipation of the collection of special assessments and to pay the Village portion for the improving of Main Street in the Village of Amanda, Ohio.

Bids for said bonds may be submitted based upon their bearing a different rate of interest, provided that where such fractional rate of interest is bid, such fraction shall be one-quarter of one per cent or multiples thereof.

Bids shall be sealed and marked "Bid for Main Street Bonds"

Bids shall state the gross amount they will pay for the bonds, the accrued interest to date of delivery, any premium on bonds, the rate of interest, whether the bidder or the Village shall have transcript approved and bonds printed.

A certified check for 5 per cent of the amount of the bonds bid for payable to the Clerk, must accompany each bid.

The right is reserved to reject any and all bids.

By order of the Clerk of the Village of Amanda, Ohio, M. A. Johnston, Clerk

1. In the synagogue (v. 8).  
Paul's custom was to go to the Jews first with the gospel, though they were his inveterate enemies. His preaching here was characterized by:  
(1) Boldness. He knew that God had sent him and therefore that he was backed by divine authority. This should characterize every Christian worker.

(2) Argument. The gospel message is in accord with the highest reason.

(3) Persuasion. It is not enough that the minister come boldly with a reasonable message. It must be accompanied with persuasion. "Knowing the terror of the Lord, we persuade men."

(4) The message should have definite content.

It was concerning the kingdom of God. Paul's supreme theme was salvation through Christ.

2. In the schoolhouse of Tyrannus (vv. 9, 10).

Paul's earnest scriptural and persuasive preaching only hardened the hearts of the Jews, even causing them to speak evil openly of this way of salvation by faith in Christ. It was for this reason that Paul separated the disciples from them and retired to the schoolhouse of Tyrannus, where he continued his ministry for two years with glorious results.

**II. God Working Miracles by Paul (vv. 11-16).**

Ephesus was noted for its wonder workers, therefore if Paul's ministry was to be successful God must in an extraordinary way put His seal upon the work. So wonderful was the divine power manifested that even handkerchiefs or aprons brought from Paul's body healed the sick and cast out evil spirits. Everywhere the supremacy of the Lord Jesus Christ was recognized. Seeing the marvelous power operating through Paul, certain strolling Jews who went about the country practicing the magical arts at the expense of their poor unfortunate fellows, undertook to use the name "Jesus" in their incantations. Knowing that the connection with Christ was not real on the part of these Jews, the use of His name by them only enraged the evil spirit who struck them and overcame them. The name of Jesus is only powerful on the believer's lips.

**III. A Glorious Revival at Ephesus (vv. 17-41).**

1. Fear fell upon all (v. 17). News of the casting out of these evil spirits created impressions favorable to Christianity.

2. It brought to the front those who professed faith in Christ, while not living right lives (v. 18). They believed but had not broken from sin. Great blessing would come to the church if some awakening could come to those whose lives are not in keeping with their profession and cause them to openly confess and make a new start.

3. Gave up the practice of Black Arts (v. 19).

This means forms of jugglery by use of charms and magical words. All such are in opposition to the will of God, therefore no one can have fellowship with God and practice them. They proved the genuineness of their actions by publicly burning their books.

4. The uproar of the silversmiths at Ephesus (vv. 23-41).

1. The occasion (vv. 23, 24).

This was the power of the gospel in destroying the infamous business of Demetrius and his fellows.

2. The method (vv. 25-29).

Demetrius, a leading business man, called a meeting and stated that because of much people turning from idolatry business conditions were threatened and that the market for their wares was weakening. He stated, "This our craft is in danger." The world is willing to tolerate any kind of religion or moral awakening so long as it does not interfere with its business or manner of life. He further said, "The temple of the great goddess Diana will be destroyed." He became quite religious when he saw that business was being interfered with.

**Entering Heaven**

The entrance to heaven is carefully guarded. No one will slip in. "There shall in no wise enter into it anything unclean."—The Shantyman.

**A Call**

A need, a need known, and the ability to meet that need constitutes a call.

CHRIST FOR ALL—ALL FOR CHRIST  
**The Word of God**  
If you read a book each day, and a light enters your path.—Psalm 119:105  
**BIBLE THOUGHT AND PRAYER**  
If parents will have their children memorize a Bible selection each week, it will prove a priceless heritage to them in after years.

How Fashion Changes Affect Cotton Market

When the slim, one-piece dress, the simple, close-fitting undergarments and the starched, long-sleeved, high-necked shirtwaist, the voluminous, ruffled flounce petticoats and the substantial cotton stockings worn early in the 1900's, there was a marked decline in the consumption of cotton goods yardage for women's clothes, according to the Sears-Roebuck Agricultural Foundation. Requirements of industries for cotton, however, have grown sufficiently in recent years to offset any effect of the marked style changes in clothing on per capita consumption which averaged 27.3 pounds from 1922 to 1927 compared with 26.6 pounds in the five crop years from 1905 to 1910.

Twenty years ago, women generally owned only one silk dress and this was carefully packed away, stuffed with paper to prevent cracking, and brought out for weddings or funerals. Cotton dresses, underwear and hose furnished the bulk of their wardrobes. Today, the situation is entirely changed for many women, as silk and rayon are crowding cotton out of the picture so far as clothing is concerned, and single cotton dresses hang in closets filled with silk garments.

Changes in fashion have been chiefly responsible for the decreased use of cotton clothes, although prices of raw cotton have been advancing while other textiles have been marked lower. In the past five years, the average cost of raw cotton was nearly 70 per cent more than in the five years preceding the war. Raw silk prices, at the present time on the other hand, are the lowest in ten years, and the rapid expansion in rayon production has brought lower prices for this fiber, also.

Industrial uses are absorbing an increasing proportion of the cotton supply, offsetting the decline in consumption of yard goods in the clothing trade. The rubber trade, the automobile industry, airplane manufacturers, and makers of wall coverings, artificial leather, and so on, are today using cotton sheetings, muslins, ducks, sateens, in ways unknown a quarter of a century ago. A half million bales go to the automobile tire makers each year, another quarter million goes to supply the grocery trade with bags, and 100,000 bales are required annually to make bags for cement. Cotton cloths are also used extensively in the construction and equipment of airplanes and the expansion of this industry will open up wider markets for cotton goods. All modes of transportation, railroads, steamships, even shoes, create a large market for cotton goods. New successes in making cotton goods waterproof have increased their use in talcum.

Twin Sisters Answer Zanesville 'Phone Calls

Misses Anna and Erma Ensley

There is a great deal of sisterly feeling among the girls who operate the telephone switchboards in Zanesville, and it's due to more than the comradeship of working together to serve the public, for their are six sets of sisters among them.

Among the sisters, there is one pair of twins, the Misses Anna and Erma Ensley. They both started to work as telephone operators on May 3, 1926, and have continued their joint career ever since, as operators at the local switchboard.

In the case of most of the other sisters, the older girl first took up the occupation and then helped a younger sister obtain a position. Evidently the girls speak well of the work, for it is notable that 11 of the other operators are sisters of girls who formerly worked in the same exchange.

Telephone Personalities

The Commercial Manager

The commercial manager of the telephone company is the man who makes it his business to see that the customers are satisfied. He has the first contact with the telephone user, from the time the prospective customer signs a contract for service. His office receives the money for service, makes any changes in the service, handles adjustments and takes care of any other requests from the customer.

The telephone manager is the "people's friend" in every sense of the word. Although the operator, the installer and the lineman can be expected to give satisfactory service in their own lines of activity, the commercial manager stands ready to direct his full attention to any telephone matter which may be brought to him.

Ohio Birds

crowned Kinglets pay an autumn visit to our orchard trees, there to search for over-wintering stages of insect pests hidden in crevices of the bark. Much we owe to these restless creatures whose never ending quest for food leads them to our cultivated plants.

October is the month in which to renew acquaintances with those thrushes which went north last spring to nest. The Hermit Thrush, most famous vocalist of the group, carries for a while and the Olivebacked and perhaps the Graycheeked Thrush may be found lingering in our quiet groves and woodlands. There is really much of interest for the bird-student now, for due to migration, daily new surprises are in store in the painted landscapes of October:

## Local Youths Enter O. S. U.

A personal welcome is being given to nearly 3,000 freshmen in Columbus this week at the Ohio State University through the medium of the annual "Freshmen Week."

Beginning September 26 the entering students will carry out a program designed to acquaint them with the university and to help them get adjusted to university life. The arrangement is part of President G.W. Rightmire's policy of restoring the "personal touch" to mass education.

Among the freshmen scheduled to participate in the week's program are these from Amanda. Edna Blanche Young and Truman Hutchins.

## 50,000-Year-Old Meat Saves Lives of Pair

Los Angeles.—How two men lost in Alaska saved themselves by finding and eating the meat from a giant mastodon preserved 50,000 years in a glacier, was related by W. W. Fisher of this city.

Mr. Fisher and a ranch foreman of his named "Wiggles" Wagner, were crossing a glacier in Alaska when they lost their horses and equipment. After staggering about for three weeks, they saw a dark mass down in a crevice of the glacier. "Wiggles" was lowered to it on a rope. Forty pounds of the grand old pachyderm was hauled up to the surface. Fisher said they then chopped a piece of ice as a lens to start a fire.

### SPIRITUAL GIFTS

**LEON TEXT**—I Cor. 12:3-7, 31:  
12:3—**GOLDEN TEXT**—Now abideth faith, hope, charity, these three; but the greatest of these is charity.  
**PRIMARY TOPIC**—Love is the Best of All.  
**JUNIOR TOPIC**—The Greatest Thing in the World.

**INTERMEDIATE AND SENIOR TOPIC**—The Greatest of All Gifts.  
**YOUNG PEOPLE AND ADULT TOPIC**—Spiritual Gifts.

Joel predicted a remarkable effusion of the spirit in Messianic times (Joel 2:28, 29; cf. Acts 2:17, 18).

Before the crucifixion, Jesus promised to send the Holy Spirit to be the helper and guide of His people. This was historically fulfilled on the day of Pentecost. The gifts of the Spirit were extended to all classes. Not only were these endowments marked by great profusion, but by great diversity. In the exercise of these gifts confusion would surely arise. Divine life, suddenly poured into human nature, stirred it to unusual power. In view of the abuses and confusion which are likely to arise from such a condition, it is highly important that certain principles be set forth for guidance and regulation.

I. The Infallible Criterion (I Cor. 12:3).

The infallible test which determines whether gifts are spurious or genuine is one's conception of and attitude toward Jesus Christ. Only those who recognize Him as God manifest in the flesh, His vicarious atonement on the cross, and submit to Him as their Lord, can be recognized as possessing the gift of the Holy Spirit. Christ said before leaving the earth that when the Spirit came His supreme business would be to testify of Him, to take the things of Christ and show them unto the people. The soundness of the faith of a man is the sign of this commission from God.

II. The Diversity of Spiritual Gifts (I Cor. 12:4-11).

In the church there are to be found those possessing the gift of wisdom, knowledge, faith, healing, miracles, prophecy, discernment of spirits, divers kinds of tongues and the interpretation of tongues.

III. The Unity of the Spirit's Gifts (I Cor. 12:12-30).

Christian unity is only possible when effected by the one Holy Spirit. This unity amidst diversity is represented under the figure of the human body.

1. The human body has many members each performing distinct functions for the good of the body (v. 12).

2. The members are mutually related and independent (vv. 13-17).

3. The place of each member is determined by the choice of God (v. 18).

4. The members which are least attractive and least conspicuous are most important (vv. 21-23).

IV. Love, the Spirit's Best Gift (I Cor. 12:31-13).

1. The pre-eminence of love (vv. 2-9).

It transcends.

(1) Speaking with tongues.

(2) The gift of prophecy.

(3) With of the most vigorous kind.

(4) Callanthropy of the most generous sort.

(5) Heroic devotion leading to martyrdom.

2. The attributes of love (vv. 4-7).

(1) Long-suffering and kind.

(2) Free from envy.

(3) Freedom from boasting.

(4) Decorous and well behaved.

(5) Unselfish.

(6) Does not give way to passion; is not quick tempered.

(7) Thinks no evil; does not impute evil motives to others; is not suspicious.

(8) Delights not in evil.

(9) Bearerth all things.

(10) Is trustful, hopeful and firm.

3. The permanence of love (vv. 8-13).

Prophecy as prediction will be fulfilled. Prophecy as teaching will be brought to an end in the day when teaching is not needed. Tongues shall cease, for as the languages of earth were caused by God's judgment for sin, so shall Christ's redemption bring the nations back to one tongue. Knowledge shall be done away with the coming of a wider and nobler intelligence. The twilight will be lost in day, childhood, in maturity. Love will always abide, for God is love.

5. The comparative value of prophecy and tongues (14:1-25).

Prophecy is given the highest place because it is to declare God's message to men. Its primary meaning is to forthtell. To speak with tongues means to speak in other languages for the purpose of showing the presence of God.

**One Who Never Forgets**

Others may forget us in their prayers; there is One in heaven who never does forget. Others may fail us when their lamp burns low; He ever liveth. We are engirdled by the prayers of One who loves us and has the ear of God and therefore is able to save to the uttermost.—George H. Morrison.

## Circleville Boy Taken To B. I. S.

Three boys, Ralph Ruff, 15, Baldwin Anderson, 13, and Robert Campbell, 13, all of Circleville were apprehended in Frankford, Ky., and held as suspects of stealing a Ford touring car from the Geo. H. Adkins garage, in which they attempted a trip to California.

When searched the Ruff boy had on his person \$18.85 which he had stolen from his parents; and the Campbell had a diamond ring belonging to his mother.

The boys were returned to Circleville by officer Wm. McCrady, Thursday with the auto mobile.

In Juvenile Court Judge Adkins sentenced Ruff to the Boys Industrial School, Lancaster, while he suspended a similar sentence in the cases of Campbell and Anderson, who were made wards of the court.

creek to compete in a ball game. The sun shone brightly for Salt creek but if we would have made another run all would have shone for Stoutsville. The girls were in high spirits and won by a score of 40 to 19. Harold Young the pitcher for Stoutsville held Saltcreek back in the last innings, while Stoutsville scored several runs from the pitcher Hartraft of Saltcreek. The boys score was 7 to 6 in favor of Saltcreek. Both games were very interesting. These were return games with Saltcreek. The story of the previous meeting of a week ago was the same, victory for the girls and defeat for the boys. Much better ball was played on this last Friday.

## Stoutsville Girl Weds In Plane

Riding behind a powerful trimotored plane at an elevation of 4,500 feet, the Rev. William Tate Peterson, pastor of the Norwood Presbyterian church Cincinnati pronounced the words that made Miss Lucille Meyers, 22, Stoutsville, the bride of Mr. Paul Gilbert Woods 27, chief mechanic of the Queen City Air Lines, as the bridal party circled over Walnut Hills, Cincinnati.

The bride is the daughter of Mr. and Mrs. W. O. Meyers of Stoutsville and the groom is the son of Mr. and Mrs. E. L. Woods of Cincinnati.
